

The rotating nozzles make short work of cleaning any sized cart in less than two minutes.

Cut Your Cart Cleaning Time by **MORE THAN 50%**

GAMAJET®

- Faster Cleaning
- Hands-Free
- No Splash Back
- Safe to Operate
- No Operator Exposure
- Consistent and Economical Operation

GAMAJET
Cart KlenzR™

The Gamajet Cart KlenzR will put rotary impingement cleaning power inside your carts for fast, hands-free cleaning of any size container. The Cart KlenzR is available in a basic package for use with current hot water sources, or in single and dual station packages that provide everything needed for simple bin cleaning.

There's no easier, or faster way to clean your carts.
